A large, colorful drawing of a school bag filled with school supplies. The bag is outlined in black and contains several items:

- Books:** Multiple copies of "BANCO" are written in various colors (black, green, pink, blue) around the bag and inside it. Some are written vertically, some horizontally, and some are integrated into the bag's structure.
- Stationery:** A stack of "QUADERNO" (notebooks) is written in green and pink in the center of the bag. A "penna" (pen) is written in red on the left side.
- Other Supplies:** A "GOMMA" (eraser) is written in black on the right side. A "Temperino" (marker) is written in blue on the right side.
- Decorative Elements:** The bag has several straps and pockets. A small red sticker with the words "BANK OF THE FUTURE" is on the top right. A blue sticker with "Temperino" is on the right side.

The overall theme is school supplies, with the word "BANCO" being the central focus, repeated in many instances and orientations.
